

Desk Control[™] App Data sheet

Desk Control™ App

The Desk Control™ App is developed for users of sit-stand desks. The app allows the users to connect to their desks via Bluetooth® wireless technology and will now remind the user to use their sit-stand desks. By downloading the Desk Control app, the desk user comes one step closer to changing the prolonged sitting behaviour. Friendly reminders to change position and statistics to show the daily achievements help the user to build a healthy routine during the workday. Via the app the desk can also be adjusted and the user can drive to prestored favourite positions. The app comes in 8 languages and is available for two different platforms: iOS for iPhones and iPads and Android for Android smartphones and tablets.
